Alligators swim quietly in the water.

Alligators have strong, powerful tails.

Baby alligators are called hatchlings.

Alligators can stay underwater for a long time.

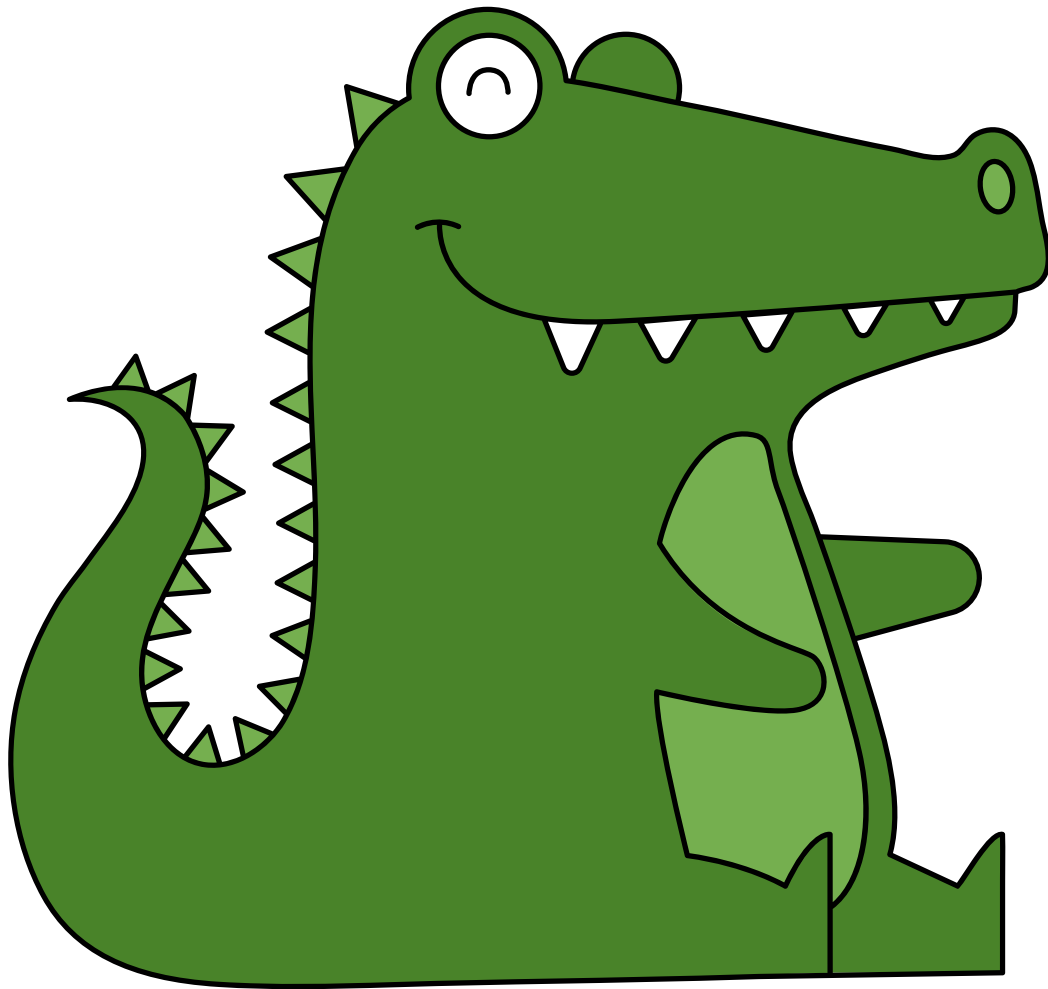

Alligators like to bask in the sun to stay warm.

Alligator

**I have big teeth and a mighty tail,
In swamps and rivers, I leave a trail.
I snap my jaws, but don't you fear,
Just stay away when I am near!
Who am I?**
